## **CMMC Assessment Services**

**“This is not easy!”**

**Kelly C. Kendall, CEO and President**

At KNC Strategic Services, we provide strategic Cybersecurity consulting services to the Defense Industrial Base. We are also a Candidate Certified Third Party Assessor Organization (C3PAO) through the CMMC Accreditation Body. We focus on assisting our client's that are preparing for CMMC Level 2 Assessments.

### **Benefits**

- ✦ **Expert Advice and Support**
- ✦ **Proven Methodology and Process**
- ✦ **Lower risk of assessment failure**
- ✦ **We will be there at your assessment**
- ✦ **The power of the KNC Ecosystem**

For small to medium Defense Industrial Base businesses, the upcoming CMMC requirements are not easy to implement.

Many do not have dedicated cybersecurity staff, the in-house expertise, and the available time to focus on implementing the NIST SP 800-171 to prepare for an eventual CMMC assessment.

There is rampant misinformation confusion, and incorrect advice.

### **Services Offered**

- ✦ NIST 800-171 Gap Assessment
- ✦ Develop Policies/Plans/Procedures
- ✦ Strategic Planning
- ✦ Implementation of Technology Solutions
- ✦ Managed Services
- ✦ vCISO Service
- ✦ CMMC L2 Readiness Assessment
- ✦ CMMC L2 C3PAO Assessment

**We provide our Red White and Blue Glove Service to every client**
